Located in the highly sought-after suburb of Mount Pleasant and set back at the end of a quiet culdesac stands this stunning, solid, brick home on a fully fenced block with beautifully established gardens. With three large built in bedrooms, the Master suite is cleverly located at the rear of the home for peace and privacy & access to the covered back patio via sliding glass doors for lots of naturally light & crossflow breezes. The master suite also includes an ensuite that is tastefully fitted with a walk-in shower, vanity, and toilet. The remaining bedrooms 2 & 3 are located at the front & middle of the home; are both a great size with air conditioning; fans, Plantation Shutters; built-in wardrobes; and share a generous bathroom with separate walk-in shower and bathtub for long soaks. The open plan living area is absolutely stunning with high, raked ceilings that give the feel of additional space & added opulence! The glass feature window along this peaked roofline showcases the height of the roofline & also invites the outside in by flooding the area with natural light. The very social & fully equipped kitchen is the perfect addition to this open plan living space offering a large pantry, dishwasher & breakfast bar, perfect for entertaining or chatting over a coffee. The large sliding glass doors leading to the covered outdoor entertaining area creates a beautiful air flow through the house & provides space to relax the time away, overlooking the established garden beds & a private, fully fenced block. From roadside, the long, concreted driveway leads to the double remote-controlled lock-up garage with a second single roller door at the back of the garage, providing easy drive-through access to the back yard where even more space remains. The laundry is tucked neatly into the back of the garage so you can easily do loads of washing at night without disturbing the rest of the family. This gorgeous home is fresh and airy with split system air conditioning, security screening, solar panels; Plantation Shutters and a very private backyard. The front street scape is narrow, allowing the block to fan out but also giving another level of privacy, within the already very quiet culdesac. Located within walking distance to Mt Pleasant Shopping Center, parks, scenic walks, cinemas and so much more!
