In a serene cul-de-sac and facing north to engage with panoramic views out to the Kinglake Ranges, extra-large and multi-generational families will be attracted to this stylish home's self-contained accommodation and prized zoning for Balwyn High School. A substantial six bedroom, three bathroom configuration that is ideally balanced with five impressive living zones designed for exceptional entertaining, upstairs reveals a breathtaking view-filled balcony with bi-folds into the luxe lounge with marble fireplace. The relaxing sounds of a garden waterfall fill the connoisseur's Siemens/stone kitchen and the open-plan dining/family room, where again, bi-folds seamlessly connect this space with the private alfresco. Offering the versatility of a self-contained level, the ground floor boasts a large living room, dining room, second Miele/stone kitchen, rumpus room with bar and a fully fitted theatre with tiered seating. With two master suites, a dual-vanity bathroom with deep soaker tub, rich timber parquet floors, central heating/air-conditioning, ducted vacuum, security and an auto tandem garage behind auto gates, your every desire has been met and exceeded. Near Maranoa Gardens, Beckett Park, Balwyn Primary School and the 109 tram to Kew's private schools and the city, take a leisurely stroll to Balwyn Village's mouth-watering eateries.
