Only a few years young, this spacious residence promises a sensational family lifestyle! The immaculate interiors feel just like new, with three living zones creating a wealth of space over two levels. The front lounge provides a peaceful retreat, while the open plan living/dining/kitchen zone unites with the covered alfresco deck for superb entertaining options. Boasting shade blinds, this outdoor setting is the perfect place to enjoy laidback gatherings with family and friends. The kitchen is beautifully appointed with stone benchtops, a large walk-in pantry and stainless steel appliances (dishwasher and 900mm oven/gas cooktop). The powder room, laundry and under-stair storage complete the lower level. Upstairs, the family room provides the ultimate hangout space for kids and teens alike. The Parents Suite creates a luxurious haven, where you can admire sweeping views across the sparkling bay waters and You Yangs. A private balcony entices you to soak up the north-facing outlook, while a stylish barn door opens onto the en suite and walk-in robe. Three additional bedrooms with built-in robes share close access to the main bathroom and separate toilet. You'll love that stone benchtops add a touch of luxury to both bathrooms and the powder room. Other features include ducted heating, evaporative cooling, ceiling fans, security doors, sprinkler system, and CCTV security system. A variety of fruit trees line the secure backyard, while the remote double garage features epoxy flooring and internal access. A blissful lifestyle awaits with beautiful parklands just footsteps away. The parkland walking trails provide direct access to the beach, where you can enjoy a quick dip or a fun-filled family day. Both Clifton Springs Primary School and the Bayview Central Shopping Centre are a short stroll away, while the region's finest wineries are right at your fingertips.
