WHAT A GREAT PLACE TO LIVE AND INVEST. Ashmore is the most practical and central suburb the Gold Coast has to offer, located close enough to all the action yet far enough away from it all ... it is frequently high-lighted on major property reports as a recommended investment "Hot Spot" assured of ongoing demand and outstanding capital growth with real estate in the area very much in demand. With its elevated location, the vast majority of Ashmore is on safe, high, flood-free ground with numerous parks, schools, shopping centres, sporting & medical facilities all at your finger-tips, whilst offering easy access and only minutes away via main arterial roads to beaches, the Broadwater & parklands, cafes, restaurants, several CBD's and the M1 giving access to Brisbane & Coolangatta airports. Southport CBD/China Town, the light rail system, Griffith University, Gold Coast Hospital, Pindara Private hospital and other medical precincts are all only minutes away, as are Pacific Fair, Robina Town Centre, Australia Fair and Runaway Bay shopping centres. Ashmore is a fantastic place to live and invest in for both solid capital returns and central & convenient living, and because of this the suburb is truly becoming even more of a highly-sought after location than its current residents (and investors) already know it to be !!!Disclaimer: Whilst every effort has been made to ensure the accuracy of these particulars, no warranty is given by the vendor or the agent as to their accuracy.
