This three bedroom Dalmeny home has had a recent renovation, meaning there is nothing to do but move straight in. This property features three bright and airy bedrooms, two with built in robes and a large two-way bathroom. The recently finished renovations include new roof and solar panels, cladding, kitchen, bathroom, floors, internal linings, front and back decks, and wardrobes. The house is in a great part of Dalmeny, just a few minutes' walk to the shops and the beach. It would be perfect for a family, holiday home or as an investment property.
