Up the established drive, where you are greeted by the beautiful surrounding mountains and rural vistas. 6036 sqm (1.5 acres) of land with a fantastic 9m x 18m color bond shed, which backs on to the state forest. The shed is fitted out with 5m high ceilings, complete plumbing, a concrete floor, 3 phase power & fully insulated throughout. Feel confident, with building permits that have been granted, and even approval for the shed to be converted into your dream home. The hard part has been done with water and sewer already connected. In addition, there is an irrigation system saving you time & water, when watering your plants. Surrounded by towering trees, this property provides a sense of serenity and a connection with nature. The outdoors offers ample space for outdoor activities and the opportunity to create your own country dream. With its private location, this property provides for a peaceful lifestyle. The property is close to the main street of Marysville, and an approx. 25-minute drive to Lake Mountain. With so much potential, this property could be your own retreat. Book an inspection today.
