DA Approved & Construction Commenced - Brand New Display Suite Now Open Living - 147m², Courtyard - 21m², Garage - 36m², Total - 204m² Family oasis meets boutique townhome living with this incredible three bedroom residence, with three separate living areas set across multiple levels and over 200sqm. From your private double garage, enter into a large storage area and multi-purpose or rumpus room. Upstairs from your main entrance enjoy a north-west-facing formal living area opening onto your private courtyard, through to separate powder room for guests, and open-plan kitchen with walk-in-pantry, and main living and dining area with study nook. On the upper level you can retreat to three large bedrooms, including master bedroom with ensuite, and separate walk-in-laundry. • Three separate living areas across multiple levels perfect for multi-generational family living • House-sized kitchen with walk-in-pantry, opening onto a large living and dining area with study nook • Extra-large master bedroom with private ensuite • Separate well-appointed laundry room • High 2500mm ceilings to kitchen, living and dining on ground floor • Future-ready with EV charging and solar capabilities ready for installation • Ducted reverse cycle air-conditioning and double-glazed windows throughout • Timeless modern design with choice of two elevated colour schemes • 18 visitor car spaces for friends and family to visit Enquire today with our friendly team member Marcus Allesch. • marcus.allesch@brontegroup.com.au • 0424 409 873 • brontegroup.com.au/solai
