8 Forest Rise is one of the best value blocks in town. On a quiet court, with some great views of the McDonald Ranges, Wilsons Promontory and over the township. This site is perfect for buyers looking to build their dream home in town yet with a peaceful setting and great views. Approx. 705m², it has a reserve at the rear and side with delightful walking tracks. This site is fully serviced with power, water and sewerage ready to connect. An extremely rare opportunity to secure such a gem.
