With all the hard work completed, this beautifully presented home is a serene retreat from the outside world. A perfect home for a range of people at any stage of their home journey. Upon entry you are greeted with the matured landscaped garden and the adorable feel of the weatherboards before entering into an open plan design with newly installed floating floors, neutral palettes, floor to ceiling sheer curtains, wood fireplace for the cooler months and a split system for heating/cooling for all year round comfort. The recently renovated kitchen is perfectly positioned to serve internal and external living spaces, with overhead cabinets, generous bench space, gas cooking, electric oven, dishwasher, and double pantry all overlooking the alfresco zone. Newly installed french doors lead to the expansive rear covered alfresco area, great for the entertainer positioned perfect for the afternoon sun and sunset views. Attached is a great additional space for storage, home office or even a bar with the open server. A separate toilet here is an added bonus for the entertainer. The bedrooms are generous in size with the master featuring an ensuite, the secondary bedroom with a built in robe, and a separate study that could be used as a 3rd bedroom for a nursery/kids room - all serviced by a central bathroom with a separate shower, bath, toilet and vanity with storage next to the updated laundry space. Dual access driveways are perfect for day-to-day parking with a lock up garage and under house storage. A generous backyard for the family, kids and pets to play has been cleverly designed. Established trees and landscaping ready for the next buyer to enjoy. A local bus to Healesville also traverses the area. Badger Creek Primary School and Healesville Sanctuary is a strolling distance away. A short five minute drive finds you in the bustling town of Healesville, where the attractions of the Yarra Valley are all on your doorstep, as well as the necessities of life!
