A beautiful home with sea views from your front door. Pull up a deck chair and enjoy. Built only in 2017, this is an immaculate, as-very-new home that is simultaneously tucked away in Seaford Heights but yet so close to the beach and shopping centre conveniences. Leave your front door open and enjoy the afternoon sea breeze through your new home. Not your standard build by any means with several subtle upgrades throughout. Enjoy high ceilings, square set ceilings in the living areas, and downlights throughout your home. The current owners have just finished painting throughout, so your new home will be an absolute joy to move into. Your new kitchen has a large wide bench with an overhang for stools and highlighted by elegant pendant lighting. Bench tops are stone. Glass splash back behind the gas cooktop in the kitchen. Water point behind the fridge. The master bedroom is huge!! Plenty of room for a couch, cot or nursery set out. And of course.... those sea views are visible here too. Living room is lovely with a half wall divider, but you can still see through to the lovely alfresco entertainment area. A very solid structure indeed that isn't going anywhere! Love the elegance of the back garden, totally private and secure. Love this home, love the lifestyle that is on offer. Come and see for yourself.
