We have on offer a positively delightful property, nestled in arguably one of Corowa's prettiest period pockets. Meticulously renovated with a high attention to detail, the home offers 2 bedrooms, with a study large enough to be another living space, stunning well appointed kitchen boasting loads of cupboard/bench space, dishwasher and gas cooking, adjoining dining space, plus additional living, full bathroom and laundry nook, complete the inside. Outside is a single garage sized shed, very private and extremely appealing outdoor living space, surrounded by the beautiful yet reasonably low maintenance yard. A pure delight to inspect!
