A sanctuary of comfort and style in the coveted Golden Mile, this beautifully appointed family home prides itself on providing a relaxed lifestyle that balances formal and family spaces with glorious outdoor entertaining. Conveying a sense of luxury, the formal lounge room is soaked in natural light and offers a seamless connection through to a dedicated dining room where a bay window bathes the room in northerly sunshine. Acting as a focal point where the family can come together, the stylish kitchen embraces glass splashbacks, Whirlpool induction stove, oven and built-in microwave, AEG dishwasher, breakfast bench plus a water point for your fridge. Polished floorboards take you through to the expansive meals zone and family room that's enriched with an open fireplace and entertainer's bar, while sliding doors open onto a huge alfresco zone and outdoor spa with beautiful garden surrounds. Adding ground floor appeal, the study/5th bedroom is ideal for those accommodating in-laws and rests beside a powder room with the bar area providing a potential space to create an ensuite (STCA). A study nook sits at the top of the staircase and accompanies the four robed bedrooms, including the master bedroom with mirrored walk-thru-ropes to sleek ensuite, further served by a like-styled family bathroom with dual vanities and separate powder room. Quality highlights include a full-sized laundry, ducted heating, evaporative cooling, split system air conditioning, alarm, ducted vacuum, high ceilings, under stair storage, garden shed, gated caravan parking space plus a double garage. Placed at lucky number 8, only meters from Caulfield Grammar and close to Jells Park Primary, Wheelers Hill Secondary, Jells Park, Wheelers Hill Shopping Centre, buses plus EastLink and Monash Freeway. Photo ID required at all open for inspections.
