Seldom do properties come to market that offer so much. This family home has been built and designed to offer multiple family living or option of additional income from airbnb or permeant rental. The living areas are generous in size and offer heating and cooling with both wood fire and AC. The kitchen has everything including walkin panty and is spacious with ample bench and cupboard space. Five bedrooms with master suite offering sitting room, large ensuite and robing. Modern main 3 way bathroom Large laundry with cabinetry. The separate flat features its own access offering complete independent living with bedroom, full bathroom and kitchen. Outdoors is a level fenced yard with established trees and garden incorporating air conditioned studio/entertaining area for year round enjoyment. For him there is a garage and workshop featuring car hoist and toilet. This is a superb property that offers so muchFor those looking for an immaculately presented modern residence, all within easy reach of all Mittagong has to offer, then an inspection is a must.
