This substantial three-bedroom brick veneer home is only minutes from shops, schools, parks and public transport. Inside you will find three spacious sized bedrooms with built-in robes. The kitchen offers quality appliances, including gas cooking. This family home also features open-plan living and lounge, central heating, and evaporative cooling. The family bathroom with shower, bath, vanity, and separate toilet. Another feature this property offers is a separate laundry room. Externally you will find an entertainer's dream alfresco area and a large backyard perfect for entertaining. A feature you cannot miss is the large shed towards the back for the extra workshop and multiple car/trailer/boat storage. So if you are keen to inspect, make it happen.
