Step into the enchanting realm of "Beauty in Lakeside" at 8 Huron Road, Manor Lakes. This extraordinary residence transcends the ordinary, crafting a haven that redefines the very concept of elevated living. As you enter the expansive lounge room, be greeted by the grandeur of soaring high ceilings—a visual symphony that sets the stage for an atmosphere of opulence, seamlessly interwoven with purposeful design. Each detail meticulously planned, this residence is an ode to moments of serene relaxation and the art of entertaining guests in unparalleled grandeur. The gourmet kitchen, a true testament to culinary excellence, unveils high-end stainless steel appliances, sleek finishes, and generous approximately 40mm counter space. The open kitchen plan emerges as a central hub for family gatherings, enhancing the overall modern living experience with an inviting aura. Versatility takes the spotlight in living spaces, each crafted to cater to the multifaceted aspects of contemporary life. Elevate your entertainment experience in the dedicated theatre room, find tranquillity in the well-appointed home office designed for work or study, and revel in the flexibility of two lounge rooms—spaces that redefine relaxation and socializing. Catering to the needs of a growing family are five impeccably designed bedrooms, each a retreat in comfort and style. The master suite, a private sanctuary within the home, boasts a spa-like ensuite with a luxurious spa—where every moment becomes a retreat. In total, five thoughtfully designed bathrooms add to the allure of luxury. Encompassing approximately 44 sq, the house unveils high ceilings and a void with glass, allowing natural light to cascade through, creating an ambiance that is nothing short of enchanting. Additional features include a floating timber star glass balustrade, refrigerated cooling for a constant embrace of comfort, and a custom-built design that elevates this residence to a league of its own. Warmth permeates through the living area with the presence of a fireplace, creating a cozy retreat during the cooler months. The kitchen, adorned with approximately 40mm benches and high-quality finishes, presents an aesthetic that is both inviting and mesmerising. A 3.5 bay garage ensures ample space for parking and storage, completing the canvas of this extraordinary dwelling. Step into the meticulously landscaped outdoor retreat on an approximately 448-square-meter block—a private oasis that seamlessly extends the luxurious interiors, where sophistication harmoniously meets nature. Embrace the extraordinary lifestyle that 8 Huron Road, Manor Lakes, offers. This residence transcends the notion of a mere dwelling; it extends a genuine invitation to immerse yourself in the grandeur and sophistication that define this mesmerising property. Schedule a private viewing to witness first hand the epitome of luxury living. It's time to make 8 Huron Road your enchanting haven of elegance and comfort.
