Sitting pretty beyond English gardens on an expansive 1/4-acre block (approx), this pristine single-level residence showcases a lifestyle of carefree comfort moments from the primary school, town centre and coastal reserve. Filled with natural light, the free-flowing floorplan sweeps through two expansive living areas with chic woodgrain flooring, providing ample room for households of all sizes throughout every stage and age. Well-befitting a home of these dimensions, a 5.6-metre kitchen at the apex awaits wholesome family cooking with a convection oven, gas cooktop, and copious amounts of cabinetry and countertop space, along with great dimensions to add a central island or breakfast table. Accessed via a bank of sliding glass doors off the family room, a choice of alfresco areas invite you to soak up the seaside ambience with dinner outdoors, drinks with friends and quiet weekday cuppas as the kids play in the expansive north-facing garden, which has plenty of room to add a pool (STCA)! Ideal for growing families or downsizers seeking plenty of room for the grandchildren to sleep over, the layout provides a master with walk-in robe and spa ensuite by the entry and two junior bedrooms with built-in robes and a full second bathroom nestled down a separate hall. A truly tranquil seachange opportunity in a beloved Western Port location, the property includes two split-systems, a wood heater, garden sheds, water tanks, solar panels, and a double garage with drive-through access. **BOOK AN INSPECTION TODAY, IT MAY BE GONE TOMORROW - PHOTO ID REQUIRED AT OPEN FOR INSPECTIONS!** **DISCLAIMERS:** Every precaution has been taken to establish the accuracy of the above information, however it does not constitute any representation by the vendor, agent or agency.
