Even though this property has been mostly renovated you can still feel the culture within. It could be the garden that is neat and tidy and offers few fruit trees; garden beds with glowing rose bushes or it could be the spacious layout throughout the home. Either way this property tells a story of its own - with tiled entry it will walk you through to the three bedrooms, bedroom 2 and 3 with built in robe. They say the kitchen is the heart of the home and you can definitely picture the memories being created here, with stone bench tops, stainless steel gas cooking and double oven the family gatherings are plenty. Features include ducted heating and gas wall heater, roller blinds and fly-screens throughout and the laundry offering abundance of space. Located close to Pascoe Vale Primary School, Local shops and cafes and only a few minutes' drive to the freeway.
