\$174,000

As soon as possible come and have a look at this affordable little cottage where you can get your foot in the door starting in a popular neighbourhood on an excellent block close to North Park and Primary School 502. Vinyl clad with some aluminium windows the outside maintenance requirements are low and electrical safety switches are in place. The layout includes a kitchen and meals area with a gas stove, lounge with a reverse cycle split system air conditioner and gas heating and three double bedrooms. . In the bathroom there is a shower over the full bath plus a second shower recess with a tastic in the laundry with a double stainless trough. The mid-sized easily managed block has established gardens, lots of fruit trees, a large, high carport and a private back yard. Property Code: 2957
