Designed with modern country charm in mind, 8 Lesmurdie Parade presents a Mitch Bower built home offering an exceptional finish with a gorgeous colour palate throughout. Greeting you at the front of the home is a carpeted media room - hardly been used & presenting like new. Raked ceilings create a stunning feature within the separate family/ kitchen area which is where you will spend most of your time adjoining the alfresco ideal for entertaining. The master wing located at the rear of the home enjoys views throughout the double glass French doors over the rear yard while the additional bedrooms are well-sized with generous storage.
