Sitting behind the white painted fence and neat front garden, this three bedroom, two bathroom home is much more than first impressions. Once a modest mid century home, recent renovations have dramatically transformed the interior into a chic, contemporary styled abode. Repainting inside and out, revamped kitchen with quality Electrolux appliances, beautifully refurbished bathrooms, ducted air conditioning, double glazed windows and LED lighting together with updated flooring and window coverings are all part of the extensive overhaul. The layout features the main bedroom with a generous walk-in robe and ensuite, light and airy living room with the original brick fireplace, central kitchen, meals area and a spacious family bathroom. A large deck off the meals area overlooks the level rear yard. For vehicle storage, there is a brick double garage with an adjoining powered workshop plus plenty of off-street parking for additional vehicles, a van or trailer. Centrepiece of the interior is the kitchen with sleek white cabinetry, white splash tiles and stone benchtops. An induction cooktop, under bench oven, integrated rangehood, twin undermount sinks, island bench/breakfast bar, two door step-in pantry and space for a large fridge cater for the home chef. Adjacent is the cleverly concealed European laundry complete with a stone workbench, tub and storage. Superbly styled, both bathrooms feature large matt grey tiles, black tapware, walk-in shower and a toilet. Particularly impressive is the family bathroom with a stunning black vanity unit, back-lit overhead mirror and a back to wall bath. Inbuilt robes in the secondary bedrooms, a coat cupboard and linen press in the entry, new rollerblinds plus privacy blinds in the front facing windows are further inclusions. The property is located in a quiet, tree lined street within proximity of the town centre, schools and freeway with parkland and a children's playground nearby. Fully renovated with nothing left to do, simply move in and enjoy this superbly appointed home.
