Looking for a rental home for the family that ticks all the boxes? Welcome to 8 Lomandra Street! Beautifully designed with a functional floorplan, this executive family home will be available for lease as of Friday 17th of May. The master bedroom and ensuite are perfectly positioned at the front of the home next to the second living room, allowing parents to escape for moments of quiet and recharge. Centrally, and the heart of every well-planned home, you will find the open plan living, dining and kitchen. Fitted with quality appliances including 900mm gas cooktop, under bench Oven & stainless-steel dishwasher, the kitchen also offers a spacious walk-in pantry space. The additional 3 bedrooms (including BIR's) are located at the end of the home, with the laundry, main bathroom and separate toilet extending from the connecting hallway. Direct access from the dining room to the double lock up garage, spacious yard with low maintenance plants and, as expected, good size undercover entertaining area for the BBQ and outdoor living lifestyle. Complimented with ducted cooling and heating throughout the home and located in a popular estate off Silver Wattle Drive, this home has it all. APEX is proud to represent the Rental Provider and we look forward to meeting you at your private Inspection.
