This beautifully renovated character-filled home is immaculate inside and out, and situated close to all the things the family will love, including Lake Anderson, Chiltern town centre plus local and capital city train services. The expansive front veranda is spacious and private, a perfect spot for your early morning coffee. The open-plan living area features a super-efficient wood fire on a grand stone hearth, complemented by split system heating and cooling for added comfort. The tastefully updated kitchen, containing ornate leadlight windows and French doors, offers a delightful space for informal dining, with gas cooking adding to its appeal. The master bedroom has its own split system plus ceiling fan and is accompanied by an adjoining home based office space. No need for an office? Then it could ideally be a deluxe walk-in robe or dressing room. Bedroom two also benefits from a ceiling fan and a split system, whilst the third bedroom has a walk-in robe and cooler. A full bathroom services the home, ensuring both style and practicality. Envision summer evenings in the private hedged rear garden, creating an ideal backdrop for entertaining friends and family. The property is secured by new fencing with electric gates, providing shade and privacy to the low-maintenance gardens. Completing the package is excellent shedding and storage including a powered shed/workshop with wood heater plus a double carport for weather-protected parking, offering both functionality and convenience. With all the hard work already done, this property invites you to just move on in and enjoy the effortlessly lifestyle it delivers.
