Sold prior to marketing via our exclusive centralised Belle Northern Beaches database. Situated in one of Mona Vales most sought after lifestyle locales, this substantial dual level residence is generously proportioned throughout and offers multiple living zones for the growing family. With recent modern upgrades, the home flowed effortlessly to the stunning covered outdoor entertaining area overlooking the rear level yard and in ground pool whilst it's outlook and orientation were predominantly to the northern quadrant. Should you wish to know more about this property please reach out to Adrian for a confidential discussion.
