Situated in one of Strathmore's premier pockets, this freestanding home delivers an outstanding low-maintenance lifestyle with its versatile floorplan and quality features throughout. On its own separately-titled block with no shared land, the home's free-flowing interior showcases two main bedrooms (extra-large master with WIR and ensuite), as well as a formal lounge/potential third bedroom and stylish main bathroom. Further emphasizing its adaptable design is the inclusion of a separate study and expansive open-plan living/dining area adjoined by a Corian-bench kitchen with island breakfast bar, dishwasher and large pantry. High ceilings and solid hardwood floors add to the allure, along with ducted heating, evaporative cooling, full-size laundry and lots of natural light throughout. Dual double doors reveal an enclosed courtyard complete with large deck ideal for all-seasons entertaining, plus the added advantage of a remote-control double garage. A short stroll to Napier Street Village cafes and shops along with local buses, parks and sports facilities, it's also close to popular schools (zoned to Strathmore PS and Strathmore SC), as well as easy access to DFO, Strathmore Station and Citylink.
