Flaunting a peaceful park-front position within the picturesque Waterways Estate, this contemporary single-level family home offers a brilliant lifestyle opportunity thanks to its intelligent design, indoor-outdoor focus, and abundance of natural light. The home's free-flowing interior boasts an extra-large main bedroom with its own WIR and private ensuite, three additional bedrooms (all with robes), and a large main bathroom. The dual living areas further enhance the property's family credentials, welcoming a carpeted formal lounge and an enormous open-plan family domain, a generous kitchen boasting a walk-in pantry, quality stainless steel cooking appliances and a dishwasher. Sliding glass doors extend to the shaded alfresco area and private backyard, with established gardens creating a privacy border and lush backdrop to everyday entertaining and enjoyment. Further features include, ducted heating and split system AC, full-size laundry, excellent storage options and a remote double garage with internal and drive-thru access. Located with the zones for many quality schools, freeway access nearby, the stunning lakeside precinct within a short walk, and a short drive to many popular shopping centres.
