REPEAT AFTER ME I pledge allegiance to the family that owns me, resides in me and showers me with the same love as my current owners. I will securely protect the household and its visitors ensuring their continued comfort throughout my new family's life cycle. I will be the holder of memories and cherish all those within my walls and as you pull up kerb side, I know you'll appreciate the skill, love and care the Carlisle Homes craftsmen used to complete me. Your pledge to me should be full enjoyment of the wonderful floorplan and quality inclusions that I present. There are two living areas, one at the front and a second that will serve as a perfect backdrop to the children in infancy, teenage years or as a multipurpose room specific to personal needs. Both living spaces are generous in size, and flow cohesively for seamless enjoyment throughout. The heart of the home is undeniably the kitchen, and it really does make a statement! A statement of intent to provide the opportunity for wholesome home cooking or to cater to the needs of an executive chef! Stunning cabinetry topped by gorgeous 60mm stone bench tops, the island bench with overhanging pendant lighting, subway tiles and a huge fridge cavity are just some of the accoutrements you will enjoy! Accommodation is thoughtfully zoned to position the four bedrooms where each person will enjoy maximum peace and privacy ensuring a restful night's sleep when you need it! The master occupies a front of home position and enjoys a streetscape outlook across the wetland opposite. Extremely generous in size, this is a master retreat! Enjoy the abundance of space with the additional convenience of a huge walk-in robe and stunning ensuite with twin basins, oversized shower, and separate toilet for the ultimate in pampering! The additional bedrooms are well positioned to enjoy the home and occupants, with visitors and guests will share the family bathroom and separate toilet. A gorgeous alfresco comes straight off the kitchen/dining and living space extending the entertaining area and creating a cohesive atmosphere amongst friends, family, and guests. Travertine pavers extend beyond the undercover area providing a boundary between the exterior entertaining space and a lush, grassed yard where pets can run around, and children play. Stunning features of the home include a mixed finish façade, ducted heating, evaporative cooling, ceiling fans, high ceilings, custom blinds, plantation shutters and wave fold sheers, LED downlights, a study niche, laundry with external access, stacker sliding doors to exterior, Travertine pavers (front and rear), established gardens, electric awnings, exposed aggregate concrete driveway and a double garage on remote with internal access for your convenience.
