Perched on the higher side of the street in the sought-after Hastings, you'll find this impeccably maintained family home, on a beautifully landscaped 834sqm block. Designed with functionality in mind, the home features a split-level layout that offers spacious living zones. Perfect for family living, featuring designated spaces for relaxation and plenty of room for a growing family. As you enter, you'll be greeted by a warm, inviting lounge and formal dining area that seamlessly connects to the large open kitchen, with plenty of bench and storage space. This overlooks the in-formal dining and large family room, that is complete with a wood fire place. With a desired northerly orientation this area is bathed in natural light all-year-round. Accommodation offers four generously sized bedrooms, including a spacious master suite with an ensuite and walk-in-robe that is separately zoned from the other three rooms. These all have built-in-ropes and serviced by the main bathroom, that is centrally located. Step outside and discover a sprawling private backyard, a tropical paradise with a lush lawn, flourishing gardens and an in-ground pool perfect for breaking the summer heat. Located in a neighbourhood that combines lifestyle and convenience, within 1km are the Waniora Shops and Hastings Primary School, whilst the family-friendly Shelly Beach is 2km away and Port Macquarie's vibrant CBD is less than 4kms away. With extras include 6.4kw of solar, ceiling fans throughout the home and potential to create space for a caravan or boat your early inspection is advised. Call Kristian and the team at HEM Property to arrange your private inspection.
