This home is everything you ever thought you needed, the large "double" block, huge luxurious home with no expenses spared and enough parking and sheds to store all your toys! Set in the stunning Native Cherry Place, surrounded by beautiful natural gardens and bushland, yet only approx. two hundred meters from the beach and even less to the Turners Beach Berry Patch, this home could not be better positioned. Luxurious is the only word that you can use for this amazing home with Spotted Gum featuring throughout the property, beautiful native outlook from every room and the amazing private master wing with double-sided walk-in robe and ensuite, completely separated from the main home with a gorgeous scenic window walkway. The stunning kitchen is the heart of the home with its beautiful stone benchtops, high end joinery and appliances including hidden dishwasher, inbuilt coffee machine and six burner gas stove. The four spacious bedrooms with additional office and two lounge rooms of this amazing home allow for the larger family to live here with ease. The main north facing sun-drenched lounge that flows to the amazing Spotted Gum deck is the perfect place to entertain friends and family, the deck also boasts a fantastic outdoor BBQ area that would be the envy of the neighborhood. Outside of this gorgeous home is equally as stunning, with meticulously manicured gardens and lawn alongside stunning aggregate paths that lead around the home to private gardens, play areas, an amazing firepit area and even an outdoor shower for those trips back from the beach! Parking and storage are a huge plus for this home, with an oversized internal garage which is large enough to park a Silverado! An additional garage (9m x 7.4m) is the perfect addition for parking boats, storing gear or to be used as an external hobby room/man cave. Turners Beach is the premiere location in the Central Coast and this homes quality is something seen rarely, for more information or to book your private inspection please contact Jodi Tunn or Kurt Knowles today!
