Explore tranquility and easy living in this Sessions Builders brand-new, exquisite home, offering a peaceful atmosphere distinct from urban living. Just a five-minute drive from central Shepparton and close to The Marketplace shopping complex, this modern, master-built residence awaits your discovery. Designed for optimal living, the home features four generously sized bedrooms. The master bedroom is truly palatial, boasting a large walk-in robe and an elegant ensuite with a walk-in shower. The main bathroom adds a touch of sophistication with its elegant deep soaking tub. Two of the remaining bedrooms offer walk-in robes, while the third showcases a built-in robe, highlighting clever design. The home's modern aesthetic aligns seamlessly with the tasteful colour palette. The spacious kitchen stands out with stunning stone benchtops, high-end appliances, and a convenient walk-in pantry. Step out to the undercover alfresco area for additional entertaining space, complete with a two-car garage. Additional features, including 2550mm ceiling height, double-glazed windows, a feature façade, refrigerated cooling & heating, upgraded flooring, boundary fencing, and external concrete & front landscaping, enhance the overall appeal. This home is truly deserving of your inspection.
