Promising superb entry level appeal in a wonderful location where you can easily walk to Karkarook Park, and offering functional space and a great presentation which buyers can enjoy immediately, this delightful 3 bedroom single storey residence will be your dream start to 2024. Striking timber floors impress straight away and are a quality feature of the generous living and dining zone and dedicated casual meals area. Separating both spaces is the modern kitchen, which comes with a straight line design and quality stainless steel appliances. The main bedroom is a superb size and promises dual built-in robes, while the easily accessible bathroom has a contemporary edge you'll come to love. Other property highlights include a laundry with external access, ducted heating, reverse cycle cooling, ceiling fans, covered rear entertaining which leads to an easy garden, garage with adjoining storage, and double carport. Near East Bentleigh Primary School, South Oakleigh Secondary College, The Links Shopping Centre, Westfield Southland, and Dingley Bypass. We donate a portion of our fee from every property transaction to the Woodards Foundation to support people experiencing homelessness, family violence and social isolation.
