This four-bedroom family home offers a point of difference in today's market and is ideal for the buyer that wants to move in with no work to do. With numerous features that are sure to impress, an inspection of this wonderful property is highly recommended to appreciate all that is on offer. Inside you will discover a modern kitchen finished in crisp white tones, a spacious breakfast bar and stainless-steel appliances. Only renovated in October 2022, this is without a doubt one of the highlights of this property. Adjoining this is the open plan living room which is filled with an abundance of natural light and has both air-conditioning and ceiling fans. The master bedroom is generously sized with air-conditioning, a built-in wardrobe, and a wall-mounted TV. The remaining three bedrooms have ceiling fans, air-conditioning to one and built-in wardrobes to two. Bedroom 3 also comes with a wall-mounted TV. The family bathroom is tidy and practical with a bath, shower, and separate toilet. Additionally, there is a second bathroom and toilet outside. For those that love entertaining, there is a rear timber deck as well as an external rumpus room that will cater for any special occasion or for your family to simply enjoy. It is air-conditioned and has a wall-mounted TV. As an added bonus, the Sellers will even leave the Pool Table, Bar and Bar Fridge! The 688sqm* allotment is private, fully fenced with side access to the double bay shed, as well as a double under covered carport. Additional features include solar panels and security screens throughout. This is your chance to secure a fantastic lifestyle for your family.
