This elegant 3-bedroom residence has undergone a fantastic renovation and is perfect for buyers looking for a move-in-ready property, whether families or 1st home buyers, or could be an ideal investment. The generous open-plan lounge, study nook and dining room, flows through to the large kitchen with dishwasher, built-in oven, gas cooktop, pantry and breakfast bar. A 2nd meals area opens to a substantial covered alfresco with screening, plus extended patio area, in a private, fully-enclosed garden with quality new fence, which provides a wonderful space for the kids to play securely. There's a generous master bedroom to the front of the home, with WIR and ensuite with shower, vanity and toilet, while 2 further bedrooms with BIRs are zoned separately. Completing the home is a family bathroom, laundry with garden access, and hall storage. Just a short walk to the local shopping centre, it's also close to schools, childcare, moments to the Pines Flora and Fauna Reserve and Centenary Public Golf Course, and a short drive to Peninsula Link.
