A sophisticated, entertainers' dream home in the quintessential bayside location, this brilliantly renovated and double-fronted, four-bedroom Victorian residence merges the very best of its original era with a contemporary, poolside alfresco flow. Peacefully set within metres of the waterfront and with calming views of the water from its generous front verandah, the home is as warm and welcoming as it is visually impressive, all the while offering endless hours of family-friendly fun in the heated in-ground swimming pool. • A new kitchen reveals stone benches and volumes of soft close cabinetry as it overlooks a light-filled dining / living room that enjoys a decadent poolside backdrop. • Seamlessly, the open-plan flows to a large, sun-drawing deck set under a retractable awning and outdoor TV to inspire lovers of poolside entertaining. • Solar and gas heating with a solar pool blanket creates the possibility of year-round enjoyment of the swimming pool. • Central second living area with built in bespoke timber cabinetry and open fireplace. • Parents can choose between an upstairs or downstairs main bedroom: downstairs with built-in robes and a pristine skylit ensuite while upstairs features more built-in robes, a powder room ensuite and space for a study or lounge as well as a private deck that overlooks the pool. • The remaining bedrooms each feature built-in robes. • Soaring ceilings throughout, complemented by rich American Oak timber flooring. • Secure off-street carport parking. • Hydronic heating and split system air conditioning throughout, as well as CCTV surveillance and NBN connected. • Walk to Point Gellibrand, the sands of Williamstown Beach, the Botanic Gardens and city-bound trains from Williamstown Railway Station, plus you have easy access to Douglas Parade, The Strand, Williamstown High School and Westbourne Grammar School.
