Parkings: 2

Area: 845 m2

Type: House

Janice Malady

\$319,000

Offering Potential with a capital P, 8 Parkin Street, Moe presents an attractive red brick façade on a generous 845 sqm allotment with the added bonus of a double garage and separate retreat. In a quiet locale, only minutes from the town centre, there are a few finishing touches to add to this property but the character and charm of the hardwood floors and open spaces will draw you in and have you planning in no time! Be welcomed into the light-filled, spacious living room with a gas space heater, this flows through to the dining rooms, which adjoins the timber kitchen, that still retains some of its original retro features. Two good sized bedrooms, one offering built in robes, utilise the central bath and shower rooms. The back yard features a rear covered alfresco, double Colorbond garage with power, along with a single garage kitted out as a retreat away from the main house. Poised within an easy distance of the Moe CBD, primary schools, parks and public transport, come and inspect 8 Parkin Street, Moe today.
