\$890,000 - \$950,000

Discover the allure of space in this generously sized five-bedroom family haven. The weatherboard facade hints to a humble home, but this is deceptively roomy and will surprise you! Set over a single level, embrace the flow of the living area, savour the convenience of a well-designed kitchen with abundant cupboards, a dishwasher, and a backyard view, delight in the value of privacy with five bedrooms and two bathrooms, and relax in the comfort of ducted heating, evaporative cooling, and solar. Step out onto the covered entertaining deck, extending your living space into the vast backyard – a perfect setting for family gatherings and enjoying the outdoors with the security of being fully fenced. The big double garage set behind gates will attract tradies and it comes with a bonus room at the back with exciting possibilities to be a workshop, home office, gym, or a retreat. Ideal for large, blended, or multi-generational families, this home offers impressive privacy and generous space and is strategically located within walking distance to Kimberley Reserve, Chirnside Park Primary, and Chirnside Park Shopping Centre and Entertainment with easy bus links and Maroondah Highway access. SMS '8PARK' to 0488 824 387 for more information.
