Boasting 5 bedrooms plus study, multiple living areas and quality features and fixtures throughout, this magnificent home in the Seachange Estate of St Leonards provides an abundance of space for even the largest of families! Upon entry, a tiled hallway leads through to the main open plan living/dining zone, incorporating a stunning chef's kitchen with peninsula bench, stone benchtops, butler's pantry and stainless steel appliances including 900mm oven and dishwasher. Timber concertina doors open onto an impressive undercover alfresco area with three ceiling fans, creating a true indoor/outdoor entertaining experience. One large bedroom with split system, ceiling fan, BIR and bathroom access is also located on the lower level. Upstairs offers another 4 generous bedrooms plus study, all with ceiling fans, including the spectacular master bedroom with huge walk-in robe, split system and full ensuite with separate toilet. A second living area and the main bathroom with separate toilet complete the floorplan of the upper level. Ducted gas heating and evaporative cooling are provided throughout the home, while other quality features include a remote security/alarm system, gas boosted solar hot water system, modern light and electrical fittings throughout, quality window coverings and storage options aplenty. The double garage with remote panel-lift door has direct access into the home, while side gates provide access to the substantial back yard of the 576m² block with ample space for secure parking of a boat, trailer or caravan. A truly majestic home that will cater to your family needs for years to come! Contact us today for more information or to arrange an inspection that is sure to impress.
