\$333,000

Set on 1004 sqm allotment in a family friendly area. Comprising three bedrooms all featuring built in robes, new carpet & air-conditioning. This low set modern home with a well-appointed kitchen has loads of bench and cupboard space. Including 2 double pantry cupboards for all the kitchen storage you will ever need this kitchen was clearly built with functionality in mind. With two steps down into the large tiled lounge area with an elegant fire place and ceiling fan, There is also an extra carpeted tv/play room or turn it into a fourth bedroom, in addition to all of this there is tiled area perfect for study or yet another tv area. The bathroom is modern and newly renovated with combined toilet and walk in shower. Out the back offers a covered patio area overlooking the resort style pool and a large older style double garage with double carport attached which gives cars the cover they need. Perfectly presented and ready for new memories to be made! You can't ask for more with 3 good sized bedrooms, fully renovated, pool, garage and fully fenced yard. Move in, do nothing and soak up the summer days by the pool! This home is ideal for an astute investor or an owner occupier. Call today to view this fantastic home
