Elevate your lifestyle with this bigger than big property in the family orientated suburban setting of Bakewell. Securely gated at street level with under home parking for at least two, the home is screened with tropical gardens making it private and quiet. Within the backyard is a spectacular swimming pool and lounge area. Under the home is a self contained flat which includes a bedroom and bathroom. The laundry amenities are discreetly tucked on the lower level as well with large under home entertaining areas great for the BBQ or kids play spaces. Upstairs the home has a balcony that overlooks the treetops through to the pool area. Inside are timber hardwood floors underfoot and large light filled windows that capture the cool breezes and natural light. The kitchen offers wrap around counters with plenty of built in storage space and overhead cupboards as well with an easy flow through to the expansive open plan living and dining areas adjacent. The master bedroom includes its own bathroom and good size walk in robe whilst bedrooms 2 and 3 both also include robes. The main bathroom has a bath tub / shower combo and a central vanity with built in storage space and louvered windows that overlook the treetops. Solar panels help to reduce those power bills. Walk to the Bakewell Primary School and the Gunn Lakes, walk over to the Bakewell dog park and let the furry family members go from a play date with the neighbours doggies. Up the road is Woollies and other retailers with a GP clinic and more, the home is only 5 minutes from the heart of the CBD with markets throughout the dry season. Around the Suburb:

- Ride to a local park with and Gunn Lakes to watch for turtles and ducks
- Plenty of community spaces to explore, court location
- Bakewell Primary School plus day-care options
- Opposite from major retailers, employment options and takeaway meals
- 3 minutes from the Palmerston CBD, markets throughout the Dry Season
