This truly sensational family home has left no stone unturned. The owners were very meticulous when they designed this rare and impressive home. The lifestyle you have dreamt about awaits you on this massive 893m² block boasting an inground pool and basketball court with high nets in the backyard along with enough space to park your trailer and 2 extra cars behind locked gates in the front yard. The beating heart of this home is the entertaining hub where family and friends gather and special memories are made. With the kitchen, a masterpiece of design and craftsmanship, completed with 40mm caesarstone benchtops, 2pac cabinetry and a walk in pantry, through to the bar room mirroring the design of the kitchen with a large island bench, sink and double door drinks fridge. These areas open out onto the extra large undercover patio with built in BBQ, gas point and an extra under bench fridge. This home is ideal for multi generational living or work from home needs encompassing a multitude of breakout spaces giving everyone room to enjoy. There is no compromising in this prestigious home with supersized rooms, a gym, media room, an abundance of storage along with a guest wing downstairs boasting a walk in robe and its own bathroom. If safety is a priority, you can relax in knowing you have it all covered. Electric gates and concrete wall to the front with intercom at the gate house to check who is entering before they get to your front door. Upstairs and downstairs is alarmed so you can turn downstairs on if you are sleeping upstairs. There are far too many qualities to list, this magnificent home must be seen to be appreciated.
