Located on a spacious block in Kings Park, encounter this generously proportioned single level rendered dwelling. Hosting a refreshed facade and abundant parking, families will appreciate the sunlit space and functionality presented in this home, walking proximity to schools for all ages and verdant parks. A wide double door entryway reveals a light filled, spacious interior with dual living spaces - a formal lounge with timber flooring underfoot leads to a tiled open plan living and dining area. The adjacent kitchen is presented as a roomy affair with an abundance of storage, Whirlpool stainless steel appliances, 4 burner gas stove and a wraparound breakfast bench, tying together an expansive, functional environs perfect for entertaining ease and quiet evenings alike. The three bedrooms are a cosy delight, with plush carpeting throughout and built-in-robies in two. Complementing these rooms is a stylish, low maintenance bathroom featuring floor to ceiling tiles, a separate room for the WC and a dedicated laundry with storage space and backyard access. Ducted heating and Daikin inverters will keep the house at perfect temperatures year round, and a broad backyard holds plenty of potential for green thumbs, play areas or simply soaking in the sunset. Along with dual driveways, a uniquely large garage provides room for multiple cars, a work space or additional storage. This large property more than measures up to the rigours of multigenerational living as further demonstrated by a prime location with easy access to local amenities including Kings Park Reserve, Delahey Village Shopping Mall, Copperfield College, Kings Park Primary and Movelle Primary School. Venturing further outwards, find Watergardens Shopping Centre, Cs Square and Brimbank Shopping Centre as well as numerous public transport options and major arterials for easy commutes.
