Offers Over \$59,000

Discover the opportunity to own a prime piece of land at 8 Sassafras Street, Grassy, encompassing approximately 575 square meters of potential. Perfectly positioned near the renowned Wild Harvest Restaurant, this property not only promises a serene retreat but also opens doors to lucrative tourism ventures. Whether you're dreaming of constructing your personal haven or taking on a groundbreaking development project, this land offers the canvas you've been searching for. Grassy, a charming rural locality on King Island, is celebrated for its welcoming community vibe and easy access to essential amenities. Adding to the locale's appeal, the recent reactivation of the Tungsten mine heralds a new era of employment prospects, making it an ideal setting for both locals and newcomers aiming to build a life on King Island. Situated merely 25 kilometers southeast of Currie, this land invites you to join a community where peace meets potential. Seize the chance to invest in your slice of paradise on King Island and reach out to Kyle Barrett today. Don't let this unparalleled opportunity slip away! *We have in preparing this listing used our best endeavours to ensure the information is true & accurate. Prospective purchasers are advised to carry out their own investigations.
