Welcome home to a beautiful new residence spanning an exceptionally large block with side access, showcasing elegance and refinement. The house offers a range of desirable features, including gas cooking, butlers pantry and a media room which contribute to its stylish and modern atmosphere. The inclusion of security screens and blinds ensures both safety and privacy, while allowing for the enjoyment of natural light and cool breezes that permeate the home. The convenience of the location is also noteworthy. Jones Hill State School, an educational facility, is situated a short drive under 10 minutes away, making it easily accessible for families with school-aged children. Overall, this brand new home offers a combination of luxurious features, functional design, and a prime location, making it an attractive choice for those seeking style, sophistication, and convenient living. Property features:

- Master suite featuring ensuite and walk-in robe
- A further three spacious bedrooms with built in wardrobes
- 6.6kW solar system
- Large media room perfect for setting up a home office or second living space
- Main bathroom with bathtub
- Fully fenced yard with side access and garden shed
- Air conditioning and ceiling fans throughout
- Well appointed laundry with an abundance of storage
- Covered outdoor area

*** Please note that applications will only be processed once an inspection of the property has been completed.
