Situated at the end of a cul-de-sac is this 630m² block of land in the sought after area of South Arm. Already on this block is a 9x6m fitted out and fully insulated shed with power, water and a large wood heater in place. The block is already set out with bountiful veggie boxes and fruit trees. A short walk to the beach and a short drive to a boat ramp that places you at the mouth of the Derwent River and the great fishing grounds of Storm Bay. South Arm is a niche town in the Southern Beaches area with a school, general store, café, RSL and a golf course, the list keeps going. Surf Beaches and safe swimming beaches for the children. Call Danny to arrange an inspection of this tucked away piece of land.
