A great opportunity exists for the tradesperson or handyman to renovate and reap the rewards. On offer is a spacious layout that includes a large open plan lounge and dining room complete with fireplace and built in bar, three bedrooms and a light filled kitchen that leads out to an undercover patio area. The three bedroom home is definitely ideal for those who like to renovate and I look forward to meeting you at one of the open homes. > Built-in robes to all bedrooms > Central bathroom with a separate bath > Shower room with a water closet and vanity > Two-car garage > Laundry that is accessible through the patio > 11.8kw solar system > Block 557m² NOTE: In preparing this, we have used reasonable endeavours to provide information that is true, however it is provided on the basis that readers will be responsible for making their own assessment of the information and are advised to verify all relevant representations, statements and information.
