PROPERTY ID: 322512 (quote when calling) Situated opposite from Harbour Town this dual level property provides ample opportunity for investors and homeowners alike. Homeowners' will love the recently renovated upstairs with new flooring, paint and shower. The dual levels also provide opportunity for dual living with easy potential to create two, standalone residences or can be combined to create a big family home with convenient surrounds and good public transport links. For Developers, this property's corner block provides great opportunity. The land of 506m² positioned in a mixed zone area has potential for redevelopment for commercial and / or residential purposes. This is a great opportunity so don't wait, enquire now to learn more.
