Looking to get into the real estate market? Vacant and ready to move in, this home is perfect for the first home buyer, investor or a great family starter. Screened from the street with a picket fence and hedging shrubs, this property is neatly tucked away from the road with a huge front yard buffer where the kids and pets can play safely for hours. The driveway is fenced off from the yard making it totally safe to access the side gated parking bay or park in the driveway for additional use. Along the backside of the home, the verandah enjoys views over the sloping backyard down to the green belt that runs along the backside of these properties. On the far end, the laundry amenities are sheltered out of the weather. Inside the home is a central open plan living, dining and kitchen area with storage and prep space to work from and views over the backyard for easy entertaining. There are three bedrooms each with carpeted flooring along with a built-in robe. The bathroom includes a bath tub / shower combo and vanity with storage space. Located opposite a local day-care and only moments from the Bakewell supermarket and from community parklands with play areas for the kids, schools and so much more.
