Investing in a property with three bedrooms, brick construction, spacious lounge, built-in robes, a long patio, a carport and a shed could be a wise choice. Such features tend to attract tenants or potential buyers, ensuring steady rental income or appreciation in value over time. Consider the location's rental demand, proximity to amenities, and potential for future development or improvement. Alternatively, if you're looking to settle down, the spaciousness and amenities like built-in robes and a shed make it a comfortable home for nesting and enjoying family life. Evaluate your long-term goals and financial situation to make the best decision. There is a lovely roomy secure back yard perfect for children to play on a trampoline, swings etc, or ideal for pets.
