Unlock the door to your dreams and step into a world of contemporary luxury with this brand new single-level family home that has been meticulously crafted to capture the essence of modern living. Every aspect of this on-trend home has been carefully constructed to evoke a sense of ease and sophistication. And with four bedrooms, three bathrooms, and multiple living areas, it provides ample space for your family to thrive. Polished porcelain tiled flooring in a clean grey hue accentuates the elegance of the spacious interiors. Light floods the living spaces, creating an inviting and airy ambiance that is simply irresistible. At its heart, an impressive kitchen boasts a waterfall edge stone island bench, high-gloss white cabinetry, and a striking feature tiled splashback, while a walk-in pantry ensures ample storage. Adjoining open-plan meals and living areas seamlessly connect to the alfresco, making it the perfect setting for indoor-outdoor entertaining, while a separate lounge provides further relaxation. The master bedroom is a retreat in itself, featuring a walk-in robe and a stylish ensuite. The remaining bedrooms come with built-in robes, the second bedroom serviced by an ensuite while the third is serviced by the stunning main bathroom. Delivering you the keys to an effortless lifestyle, this exceptional property also includes a remote-controlled double garage with internal access, heating/cooling, and an internal laundry. Located directly opposite parklands with a playground in the sought-after Redstone Estate, with easy access to the Redstone Town Centre, Sunbury township, and freeway access, every day will feel like a getaway. Live your best life in style!
