Immaculate, modern, low maintenance 3 bedroom home in a highly sought after location. With open plan kitchen, living and dining area you'll have lots of room to spread out. Two of the three good size bedrooms are furnished with built in wardrobes and a cleverly designed bathroom has access from both the main bedroom and the hall creating a very useable and functional bathroom space. If you're looking for low fuss, very low maintenance easy living then this one is for you. The garden is also low maintenance and well established with a neat garden shed and a double garage. There is nothing to do but move in and enjoy this modern well-appointed home.....but what about outdoor dining/living I hear you ask. Well there is also an enclosed deck area directly off the dining/kitchen area that increases your useable space and is the perfect spot for morning coffee, afternoon wine or a BBQ with family and friends. I really can't fault this home so don't miss out.- Near level block- Easy entry via front ramp- Highly sought after location- Close to shops, schools and buses- Double garage
