\$915,000

This great home is by far the cheapest priced home for sale in Twin Waters right now. Don't let this be one of those situations where you say "should have, could have, would have bought it".....get in now!!!Buy your slice of heaven in the highly sought after estate of Twin Waters. This home has been well maintained and is ready for its new owners. Ideally suited for an investor, renovator or simply move in and enjoy all that the home currently has to offer.Boasting an open living space flowing out onto the undercover alfresco space. A large backyard with a bush backdrop and massive Pandanus tree, provides for a lovely quiet haven. Ideal for those who love to watch the wildlife from the privacy of their own backyard. There is also plenty of room for a swimming pool if desired.Some tasteful changes have been made to this practical home including timber look vinyl planking throughout main living areas and bedrooms, with LED lighting throughout. Three bedrooms on offer, two spare rooms include built-in wardrobes and a walk in robe in the main bedroom which is separated from the other two and positioned at the rear of the property opening out onto the courtyard.Entertaining outside will be a breeze with the large fully fenced backyard - ideal for the kids to run wild while the adults sit back and chill.Features include:- Three good sized bedrooms- Large open plan living- Separate Laundry- New LED lighting throughout- Timber look vinyl planking in living space and bedrooms- Solar electricity system- Large backyard with bush backdrop - plenty of room for a pool- Tropical gardens with massive Pandanus Tree in the backyard
